Get a Job or Sell your Project at the AWFS® Fair

Post your resume in the Resume Book and your furniture in the Purchase Inquiry Book.
Both will be located at the Information Table in front of the Fresh Wood Display Area.

Resume Book

This is a professional binder with student competition finalists' resumes for exhibitors and fair attendees to peruse. It will be available at the information desk in front of the student competition display area. Company representatives will have the option of taking a copy of your resume. If, at the time of the AWFS® Fair you are looking to be hired, you might include a well-defined objective at the top of your resume, to alert individuals from the industry as to the type of position you are seeking.

If you would like to have a copy of your resume included in the resume book,
e-mail a one page print-ready copy to adria@awfs.org as Word or PDF attachment
or mail a one page copy on plain white paper to:

AWFS, Attn: Adria Torrez
500 Citadel Dr. Suite 200 Commerce, CA 90040

DEADLINE Friday, June 10th

Purchase Inquiry Book

If you are interested in selling your piece(s), have it added to the Purchase Inquiry Book. The book will include your name, preferred contact information, a photo of your project, and project name (but no prices). Note: we will use a photo from those that you submitted when entering the competition unless you want to provide a different picture (e-mail to adria@awfs.org). The page format in the purchase book will be as show to the right.
