

2017 AWFS® Fair Plastic Technology & Supplies Program

2017 AWFS® Fair will be placing a special emphasis on plastics and plastics fabrication during its next Fair that will take place July 19-22, 2017. Although these products have been featured in past editions of the show, companies displaying plastic-related products will now be highlighted.

PLASTIC PARTICIPANTS WILL BE HIGHLIGHTED AT THE SHOW:

- AWFS® Fair website
- AWFS® Fair directory
- Designated markers within their booth
- AWFS® Fair onsite signage at key locations

PLASTICS EDUCATIONAL SESSIONS

There are also plans to add an educational element to the College of Woodworking Knowledge® (CWWK®) that will be announced when the educational programs are revealed in early 2017.

SPECIFIC PLASTICS ATTENDEE MARKETING CAMPAIGN

In addition, Association of Woodworking & Furnishings Suppliers® (AWFS®) plans to implement a comprehensive targeted marketing campaign within the plastics sector in order to inform and encourage buyers to attend the 2017 event.
