## OBJECTIVE

Recent graduate from the University of Oregon (B.Arch) with a passion for drawing, making, learning, and leadership. Seeking an architectural designer position that will continually challenge me and push me to grow as a designer. Pursuing an opportunity that will drive me to develop my understanding of the design process and to hone my technical skills in a team environment.

## EDUCATION

### UNIV. OF OREGON | SCHOOL OF ARCHITECTURE | EUGENE, OR | SEP 2010 - JUN 2015

- Bachelor of Architecture (B.Arch) with a minor in Business Administration.
- Relevant Coursework: Enclosures, Structural Behavior in Wood and Steel Building Systems, Building Construction, Environmental Control Systems, Advanced Hand & Digital Media, Professional Context

## AWARDS & RECOGNITIONS

### FRANK J. RUCK SCHOLAR | SIGMA PHI EPSILON FRATERNITY | AWARDED JUL 2012

- Was accepted into and completed the rigorous Frank J. Ruck Leadership Institute in Richmond, VA, as a member of Sigma Phi Epsilon, learning and developing leadership methods and practices.

### EVANS SCHOLAR | WESTERN GOLF ASSOCIATION | AWARDED MAR 2010

- Recipient of the Chick Evans Caddy Scholarship - a 4-year full tuition & housing scholarship - from working as a caddy and pro shop assistant at Portland Golf Club for 5 years while maintaining a strong academic record.

## EMPLOYMENT EXPERIENCE

### ARCHITECTURAL INTERN | ANDRE KIKOSKI ARCHITECT PLLC | NEW YORK | JUN 2014 - SEP 2014

- Worked in an 8-person person office preparing documents for two projects in major real estate developments across Manhattan and the surrounding region.
- Developed an adept understanding of working with complex office-wide document sets, drawing revisions, and coordination with CAD backgrounds from outside firms.
- Took on responsibility of managing the material set throughout a 300,000 s.f. interior tower project.
- Created presentation materials for client meetings in a consistently high-paced environment.
- Set goals to serve each project in a manner that exceeded the role and expectations of the intern title.

### PRACTICUM STUDENT (INTERN) | ERIC HALL ARCHITECTS | EUGENE, OR | APR 2014 - JUN 2014

- Served as an practicum student (intern for school credit hours) for 9 weeks in a four person office
- Created presentation documents, engaged in client/consultant/city council meetings, and provided general assistance on documents for two projects in the office.
- Gained a fundamental understanding of client-contractor-architect relationships, drawing sets, MEP systems, and the managerial and financial aspects of an architecture firm.

### CALL CENTER ASSOCIATE | THE DUCK STORE | EUGENE, OR | SEP 2013 - JUN 2015

- Work at the processing center providing customer service for the online ordering system, answering customer service phone calls, processing returns and exchanges, and quality checking orders.
- Act as the liaison between seasonal employees and managing supervisors.
- Developed a thorough understanding of the Duck Store's operations and trained newer employees on the spectrum of customer service processes within weeks of starting.

## LEADERSHIP EXPERIENCE

### PRESIDENT | SIGMA PHI EPSILON - OREGON BETA CHAPTER | JUN 2012 - JUN 2013

- Honed a practiced understanding of managing and leading large groups of people (90 men), while simultaneously directing a cohesive organization towards a common vision and purpose.
- Ensured that all of the fraternity's operations were functioning at or above expectation - from day-to-day tasks to finances, calendars, and relations inside and outside of fraternity and sorority life.
- Worked with a 15-member executive board to set, plan and evaluate the goals of the fraternity.
