- Tom McKenna
Fine Woodworking magazine
- Chris Poehlmann
CP Lighting
- Mei-Yen Shipek
Autodesk Pier 9
- Scott Vasey
Advanced Fixtures

**Note: some judges may not be able to attend*

INTERACT AND NETWORK at the AWFS® Fair

Post your resume in the Resume Book located at the Information Table in front of the Fresh Wood Display Booth; bring your business cards to the AWFS Fair; sign up for your Info Desk time slots!

RESUME BOOK

This is a professional binder with student competition finalists' resumes for exhibitors and fair attendees to peruse. It will be available at the information desk in front of the student competition display booth. Company representatives (AWFS Fair attendees and exhibitors) will have the option of taking a copy of your resume. If, at the time of the AWFS® Fair you are looking to be hired, you might include a well-defined objective at the top of your resume, to alert individuals from the industry as to the type of position you are seeking. The resumes (PDFs) will also be posted on a dedicated page on AWFSFair.org.

If you would like to have a copy of your resume included in the resume book, e-mail a print-ready copy to adam@awfs.org as Word or PDF attachment DEADLINE FRIDAY, JUNE 30.

BRING YOUR BUSINESS CARDS TO THE SHOW

If you are interested in selling your project, or would like to discuss business inquiries, you are welcome to bring business cards (50) OR INCLUDE THEM IN YOUR CRATE (IN AN ENVELOPE CLEARLY MARKED) and there will be a designated place to display them by your project.

SIGN UP FOR YOUR VOLUNTEER SLOT AT THE FRESH WOOD BOOTH INFO DESK

All students are asked to spend at least one (1) 2-hour time slot at the Fresh Wood Booth Info Desk. As a Fresh Wood display area greeter, you will sit at the desk in front of the competition display area with fellow finalists and answer general questions, talk with attendees, hang out with finalists and teachers, and assist with People's Choice voting, the Resume Book and other resources. It's fun! :-)
