WANTED
TIM WOOD
Responsible for the 8 Deadly Wastes

TRANSPORTATION

Movement of product from one location to another

INVENTORY

Raw materials, work in process, finished
Look at these as giant piles of cash on your
shop floor.

MOTION

Motion is when a person moves from point A to
point B while not adding value. Even moving a
computer mouse can be considered waste.

WAITING

The act of doing nothing or working slowly whilst
waiting for a previous step in the process.

OVERPRODUCTION

Waste of producing product before it's
needed. Also referred to as 'The Mother of
ALL Wastes' because it is likely to cause
ALL of them.

WANTED
DEAD or ALIVE

TIM WOOD

Wanted for committing the 8 deadly sins of waste.
in contradiction to a happy and productive workplace
