Industry Economist to Speak at AWFS®Fair

Two sessions will be offered, focus on supply chain Issues

Anaheim, CA, June 3, 2021 -- Economist Chris Kuehl will offer a keynote presentation at the 2021 AWFS®Fair on Thursday, July 22 at 8:00 a.m. The session will include a welcome from AWFS® Board leadership, followed by an economic update from Mr. Kuehl focusing on manufacturing and the construction and housing markets. An additional session, "A Conversation with Chris Kuehl" will take place at 12:30 p.m. at the AWFS®Fair Live show floor stage where AWFS® Executive Vice President, Angelo Gangone, will interview Mr. Kuehl to dig deeper into key topics including supply chain issues.

Mr. Kuehl is a Managing Director of Armada Corporate Intelligence and one of the co-founders of the company. He has been Armada's economic analyst and has worked with a wide variety of private clients and professional associations for nearly twenty years in industries ranging from credit management to fabricators and manufacturers. He regularly speaks at many conferences and events, including FABTECH and the AWI Annual Convention.

"We are excited to have Mr. Kuehl at the AWFS®Fair to offer insight into the economic status of our industry and what we may be able to expect in the upcoming year, says Gangone. "Our industry is reeling from the current supply chain crisis; Chris can shed some light on this issue and how companies can be proactive."

Don't miss Chris Kuehl's economic updates at the AWFS®Fair on Thursday, July 22. Both sessions will be free and open to all registered AWFS®Fair attendees and exhibitors, no additional registration required.
