

HELP US GROW THE INDUSTRY!

The Wood Industry Resource Collaborative (WIRC) intends for [YouWood.com](https://www.youwood.com) to continue to grow and become a key resource for anyone looking to learn more about careers in the wood industry. We need the help of those in the industry, like you, to be successful. Here are some ways you can help:

1. **Spread the word** about the YouWood campaign via newsletters, websites, social, etc.
2. **Pass along information** to WIRC that we can potentially feature on youwood.com - articles, research, etc.
3. Add the WIRC team to your **distribution lists** for any relevant news or content you create.
4. Share **success stories and contacts** with the WIRC team so we can feature more real-life stories of folks entering the industry.
5. **Take our quick survey** ([linked here](#)) to help us understand your workforce needs better.
